Zia Park has filed a formal request for the NMRC for an evidentiary hearing alleging the move to Clovis would financially damage Zia and other gaming resorts across the state as well as the communities they serve. The move may dilute race dates, purse accounts, simulcasting revenue and decrease the value of Zia Parks racetrack license.

Tomorrow is last day of the Zia Park meet, thank you Horsemen for your participation. Thank you Zia Park for your support, professionalism and willingness to work with the NMHA local committee. Pink Day, Welcome back Horsemen's Dinner, Thanksgiving Dinner etc. really speak highly of your kindness and support for the Horsemen.

**NMHA Horsemen your
medical reimbursements
