**NMRC Special
Meeting
October 28th, 2026
At 1:45 PM**

Albuquerque's meet ended yesterday. The back side will remain open for training until Sunland Park opens. Thank you Horsemen, for supporting this summer and fall meet.

NMRC is having a special meeting this week regarding Ruidoso Downs.

Sunland Park is making huge renovations to attract new racing/casino fans. Stall applications and nomination blanks are available under the horsemen's portal on the Sunland Park website. Stall applications are due October 26th, 2026. (Attached)

Sunray Park and Casino are proud to bring live racing back to NW NM, and we look forward to welcoming Horsemen, racing fans and community partner's next spring.

Horses are moving into Zia Park and the track opened last weekend. The first two days of entries were good, and we will see how TB entries go today and tomorrow. Please contact the local committee with any concerns or comments. The first general Horsemen's meeting will be Saturday, November 7th, 2026 at 10:30 AM in the Racing Office Pavillon.

Reduction in race dates leads to reduction in breeding. Why breed if you can't run them!

Racetrack Gaming machines net take for 2025 was \$264.4M.

Racetrack Tax Revenue for 2025 was \$65.5M.

Racetracks budget is supposedly \$35K per day for racing expenses during their meet, which totals \$6.4 M per year for a grand expense of .024% of net take amongst all racetracks.

In spite of reduction of races, NM Races still average 7.9 starts per race, one of the highest in the country.

Because of reduction of race dates, trainers and owners have been forced to leave NM to run in neighboring states.

Racetracks' barn areas are full to capacity, most with waitlists to get stalls. There ARE enough horses to run race meets.

Horseracing is the 3rd largest industry in New Mexico, with 30,000+ indirect and related jobs across agriculture, training and tourism.

Expansion of Gaming at the expense of horse racing should never be allowed!
